

CH Alki's Black Twig Tucker CGC HCT TT

Granted, we are not one, but a solitary two:
our consciousness and he;
but how much we owe each other
past conceiving,
the way it is with friends!
- Rainer Maria Rilke

Tucker's versatility shined through this year as he seamlessly strolled through a hosting stint at our wedding party, earned his CGC, his HCT (AHBA's Herding Capability Test), his TT (ATTS Temperament Test), and passed the Delta Society Pet Partner Program tests! We continue to be very proud of our big, capable, and loveable baby boy who has shown so much talent!
